

1 Website Builds

One-time build fee, plus a monthly retainer that covers updates, hosting, and a monthly performance report.

BUSINESS TYPE	BUILD FEE	MONTHLY	TIMELINE
Standard business site	from \$1,500	from \$300/mo	Live within 3–5 business days
Multi-location or high-volume	from \$3,000	from \$800/mo	Live within 1–2 weeks

2 AI Phone Receptionist

Answers calls when no one's available, captures details, gets the right person a callback. Doesn't replace your number or your team.

OPTION	SETUP	MONTHLY	BEST FOR
Add-on to a site build	included	from \$150/mo	Bundled with a new or existing site
Standalone	\$300–500	from \$300/mo	No site involved — phone coverage only

Site + Receptionist together — priced as one combined monthly rate. Most small businesses typically land here:

\$450–650
PER MONTH

3 Good to Know

- Month-to-month on everything — no long-term contract.
- One flat monthly rate, no per-call charges or hidden software fees.
- Final pricing depends on your specific business — these are starting points, not the ceiling.
- Site demo is built and shown to you before anything is signed.
